**Planck Technical Services
Memo**

Date: August 24, 1991

To: Jim Planck

From: Ben Miller

Subject: Spare Parts, Etc.

Jim,

In keeping with the spirit of what the auditors are warning us about, we need to make another change in a procedure. Up until now, you have been buying spare components of various types to have in stock over there for use on an "as needed" basis for TBN's LPTV stations and then charging TBN for the spares before they are even used. This is not a normal business arrangement between two companies as it is not the responsibility of the customer to pay for it's vendor's spares inventory. I can guarantee you that TBN wouldn't do this with any other vendor. Also, it is improper from the standpoint that we don't know if each part will even ultimately go to NMTV or some other affiliated entity with TBN paying for it. The auditors and lawyers would have a fit if they know TBN purchased parts were being used in NMTV installations. This practice needs to stop.

The proper way to handle your spare parts inventory is to have PTS purchase and stock them and then bill whoever buys them when they are used. If I need to get approval for some additional operating capital for you to buy the parts I'm sure they will readily approve it for the above reasons.

Thanks,

Ben Miller
President, Planck Technical Services

NEXT — NICARAGUA!

"AND THEY SANG A NEW SONG, SAYING, THOU ART WORTHY...AND HAST REDEEMED US TO GOD BY THY BLOOD OUT OF EVERY KINDRED, AND TONGUE, AND PEOPLE AND NATION...AND WE SHALL REIGN ON THE EARTH" Rev. 5:9, 10.

PRAISE THE LORD! The walls continue to crumble! First, *Russia and eastern Europe!* Now another communist stronghold — *Nicaragua*, is opening up to the Gospel! On July 12, Jan and I met with President *Violeta de Chamorro* and were received most graciously. Jonas Gonzalez, Christian TV pioneer in Costa Rica, introduced us to Nicaragua's first *freely elected* president in that country's history! We remembered with sorrow and visited the place where Mrs. Chamorro's husband was slain by Somoza loyalists in 1978. What an inspiration to see this courageous lady fill the void left by her martyred husband to become her country's new leader.

How do you explain in a *few minutes* the 18 year history and blessings of TBN? But we tried as we told of the *miraculous* birth and *growth* through the years, of Christian Television in America. We went on to explain how *doors are opening* in many countries of the World. We spoke of our recent trip to Russia and that Italy, Greece, South Africa, Zaire, Brazil, Chile, Bolivia, Guatemala, Belize, El Salvador, Costa Rica, the Caribbean, — *yes, and even China* is opening up to **CHRISTIAN TELEVISION!**

I said, "Madam President, Politics can sometimes change the **MIND** of people, but *only Jesus Christ* can change the **HEART!**" The Holy Spirit surely helped Jan and me as we explained how faith in Christ causes citizens to *love each other, pay their taxes, and live together in peace.* Many questions were asked and answered by Jonas Gonzalez, including the fact that her friend, and one of the supreme court justices, would serve on the board of directors for the station, Dr. Enrique Villagra Morales, a beautiful brother in Christ.

I think the deal was clinched however, as CAYLAN won the President's heart and reached out to her to pose for a picture! How true the scripture, "**...A LITTLE CHILD SHALL LEAD THEM**" Isa. 11:6. Praise God, an immediate appointment was made with the Minister of Communications and Television, including the Director of Engineering! Things were moving so fast our heads were spinning. Surely God is in a *hurry* to reach this war torn country, deprived of freedom for so many years — with **HIS LOVE AND HEALING POWER!** Praise the Lord!

Beloved Partners — **PRAY, PRAY, PRAY!** We all rejoiced as the officials gave basic approval, *not just to Managua, the Capitol, but to a network of repeater stations that would cover the entire country of Nicaragua!* Surely this was too quick, too easy. Surely there will be opposition, another battle up ahead. But Partners, *the beachhead has been landed!* Please cover this new country with the *power and protection of the Blood of Jesus* as we move forward now to form the corporation, do the engineering, order equipment and get ready for another great **VICTORY for Christian Television!**

Before we left, Jan recounted the story of Esther of how another beautiful lady had been used of God to save her people and nation. The analogy was clear — "Surely [Mrs. Chamorro] had come to the Kingdom for such a time as this" Esther 4:14. There was a most beautiful kindred spirit, lady to lady, as Jan and I shared with the President. Finally, we had a beautiful season of prayer together and I left this final word. Proverbs as an encouragement —

"WHEN THY WAYS PLEASE THE LORD, HE MAKETH EVEN THY ENEMIES TO BE AT PEACE WITH THEE" Prov. 16:7 (paraphrased by PFC).

Next, we flew to San José, Costa Rica, where Jonas Gonzalez and other Christian leaders had organized a great Prayer and Praise rally. The country was celebrating 100 years of evangelical Christianity in Costa Rica. Of course, YOUR Channel 23 was there to encourage and record the great day's event. Jan and I, along with LaVerne and Edith Tripp, spoke and sang along with many others. Jan even told her CHICKEN STORY!

Earlier that day, a small airplane had circled the country pouring literal ANOINTING OIL upon the land! Praise God — Costa Rica is ALIVE in the Spirit! Revival fires are truly burning. I am an eyewitness to the power and Glory of God that is flowing from this beautiful Central American nation.

How the people rejoiced when I told them we have ordered the Big FULL POWER transmitter for San José and that their snowy picture will soon be bright and clear! Also, we have been granted permits for the Three other major cities in Costa Rica, making it possible to reach a majority of the population.

Beloved Partners — SHALL WE ARISE AND BUILD AGAIN? By now you have heard our LITERAL Macedonian Call — a second station in GREECE is on the way! Seven more permits have been granted for the Transkei in South Africa! Two permits are waiting in Chile! Ten cities in Canada are calling and over 40 more permits MUST BE BUILT here in our own USA!

As I write this letter to you, I am hurrying to the San José airport. Little Eagle I is waiting to take us to San Salvador to make preparations for a great dedication service next January for Big Powerful Channel 25 that is even now covering most of that Nation with TBN! President Cristiani has promised to join us as we THROW ANOTHER BIG SWITCH in dedication of YOUR newest Central American Station. Some of you will want to go with Jan and me, as we plan great Rallies in San Salvador, San José and Belize to bless and encourage Latin American Brothers and Sisters in the Lord. Watch Behind the Scenes and Praise for news and information.

Beloved Partners, my heart is bursting with Joy as I see the Glory of God breaking forth at home and abroad. Surely we are that special generation that God is entrusting to Preach HIS GOSPEL to every creature! Surely we are that generation that Isaiah SAW by the word of Prophecy when he wrote:

"AND THE GLORY OF THE LORD SHALL BE REVEALED, AND ALL FLESH SHALL SEE IT TOGETHER: FOR THE MOUTH OF THE LORD HATH SPOKEN IT" Isa. 40:5.

LET'S GO FOR IT!

Paul

P.S. NEXT — CUBA!

"...YOU HAVE COME TO THE KINGDOM FOR SUCH A TIME AS THIS"

The recent trip to Central America was an awesome MIRACLE! President VIOLETA CHAMORRO of NICARAGUA graciously welcomed us with open arms. Mrs. Chamorro, a little grandma herself, is holding Caylan (who just may have clinched the deal!) Jonas Gonzalez [standing at the far left], respected throughout Central America, is TBN's Central American Coordinator who has paved the way for your TBN. As I prayed before our meeting with President Chamorro, the Lord gave me a special word for this beautiful lady, that she was a Modern-Day Esther and that her support of CHRISTIAN TELEVISION would bring Salvation & Healing to her people and her nation. Mrs. Chamorro is the FIRST democratically elected president in the history of Nicaragua. She courageously carries on the fight for FREEDOM that her husband died for. (His picture is on the wall directly behind Paul and Laurie in this photograph.) THIS IS GOD'S TIME FOR NICARAGUA! Will YOU be part of God's plan of Salvation for NICARAGUA? Please let us hear from you TODAY!

CHRISTIAN TELEVISION IS COMING TO NICARAGUA!

Before our meeting with President Chamorro concluded, she was on the phone and making arrangements for us to meet with the Minister of Communications and Director of Engineering — IMMEDIATELY! Within ten minutes, Paul met with officials discussing the terrible lack of building a Christian TV station for NICARAGUA! [Seated from left to right: Dr. Enrique Villagra Morales — a Supreme Court Justice in Nicaragua, friend & former neighbor of Mrs. Chamorro, who will be on the Board of Directors for the TBN network in Nicaragua; Paul; Pablo Vilil Ycaza, the Minister of Communications for Nicaragua; Reinerio Montiel, Director of Engineering who assigns TV channels; and Jonas Gonzalez, TBN's Central American Coordinator. YES! — CHRISTIAN TV IS COMING TO NICARAGUA! YOUR support of Your TBN — will SEND the GOOD NEWS of JESUS CHRIST to Central America!

"The kingdoms of this world are becoming the kingdoms of our Lord"

Only a few years ago, some would have labeled us CRAZY if we had even DARED Dream of bringing Christian Television to Nicaragua! But — SEE for yourself — Paul is standing here with JONAS GONZALEZ, TBN's Central American Coordinator, in front of Communist Headquarters in Managua — REJOICING over the OPEN DOOR to the GOSPEL on TELEVISION in NICARAGUA! The Nicaraguan people who have lived in FEAR and many have lost their lives because they believed in Christ and Freedom — NOW have a democratically elected president and the DOOR IS WIDE OPEN FOR CHRISTIAN TELEVISION in their Nation! THIS IS GOD'S MIRACLE! This is God's Time. NOW let's hurry and complete the INTERNATIONAL PRODUCTION CENTER — so we can Send Spanish Language Christian Programming to Bless & minister to the war torn land of NICARAGUA. Be a part of Sending JESUS to Nicaragua — Support the Int'l Production Center & help SEND Christian TV to NICARAGUA!

"To Him who rides on the heavens...He sends out a MIGHTY VOICE"

By SATELLITE — Ch. 23, San José, COSTA RICA is receiving TBN from America! As we posed for this picture in front of Ch. 23's Satellite Receiving Dish, we all shouted, "GLORIA A DIOS!" (Praise the Lord — in Spanish). (On the far left is Jonas Gonzalez with his son Jonas Jr. beside him. Then, Laurie, Edith, Paul and Caylan, Jan, and LaVerne. Matt was there, too, but he was taking the picture!) Equipment is NOW on the way to upgrade Ch. 23 to FULL POWER. We have in our hands THREE MORE PERMITS for TV STATIONS in three other major cities in Costa Rica. With these FOUR stations — 90% of Costa Rica will be able to watch Christian TV! How the people of Costa Rica LOVE their Channel 23! The local Christians have already bought and converted a house into a TV STUDIO — so they are NOW able to produce some Local programs in Costa Rica! Let's help our beautiful Costa Rican Brothers & Sisters reach their Nation for Jesus!

"SING TO THE LORD...SHOW HIS GLORY TO THE NATIONS!"

Gospel Music, the JOY and love of Jesus seem to transcend every language barrier! We arrived in Costa Rica just in time to join their great Celebration of 100 years of evangelical Christianity in this beautiful country! In spiritual preparation, the Christians of Costa Rica enlisted a plane to drop Anointing Oil over all seven provinces! Then over 5000 ON FIRE, Costa Rican Christians who love JESUS and love their Ch. 23, gathered for the great Prayer & Praise Rally. LAVERNE & EDITH TRIPP sang "We'll Not Be Defeated" and they LOVED IT! We were overwhelmed by the LOVE of the San José, Channel 23 PARTNERS! As we entered our hotel room, there were hundreds of LOVE & TESTIMONY Letters taped EVERYWHERE! 700,000 in the San José area are NOW blessed with 24 hour a day Christian TV because of YOUR Love & Faithfulness! Equipment is NOW on the way that will increase the power of Ch. 23 to 1 MILLION WATTS — a FULL

"Nations will come to your Light...Kings will come to see the Glory"

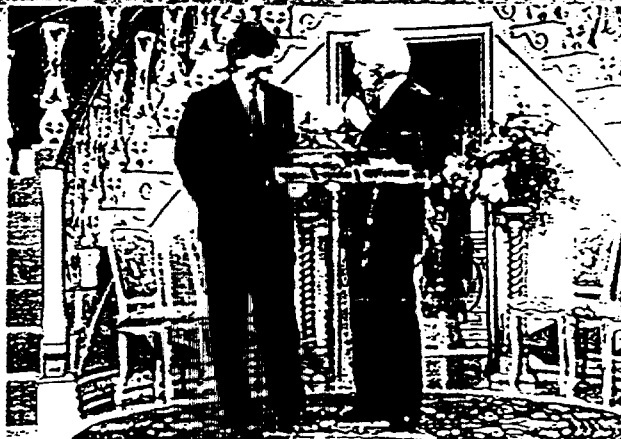

On our recent trip to Central America, we had the JOY and privilege of meeting with RODRIGO CARAZO, former President of COSTA RICA from 1978 to 1982 (center). He now serves as President of the World University for Peace, in Costa Rica. He gave us so valuable insights on bringing Christian Television to all of La America. He was especially excited, of course, about the station in San José (the Capitol of Costa Rica), and the permits for THREE MORE Stations in three more major cities in Costa Rica. With ALL of Latin America beginning to OPEN to Christian Television — we MUST FINISH the INT'L PRODUCTION CENTER so we can provide MORE Spanish Language programs — as well as other Languages like, Russian, Italian, Greek, French and African dialects! God is doing a QUICK WORK — making a WAY for Christian TV & Shortwave Radio, to carry the Gospel to THE WHOLE WIDE WORLD! Be a part of it!

"FOR HE WILL COMMAND HIS ANGELS... TO GUARD YOU"

President Cristiani himself has assigned soldiers to GUARD your TBN Station in EL SALVADOR — 24 hours a day! (There have been no problems!) The people LOVE their Ch. 25 and while we were visiting, we had the joy of adding some finishing touches on the inside of the beautiful studio facility, including providing three TV cameras. They'll soon be able to produce Local Spanish programs! We are also getting it ready for a great Dedication Service when we'll officially throw the Big Switch & dedicate Ch.25 for God's service — with the help of President Cristiani. Plans are in the works for a TBN Central American Missionary Journey (in January 1992), where some of YOU are encouraged to join us. There will be three great crusades in Belize, San José, Costa Rica & San Salvador, El Salvador. Partners, please remember to cover Central America in prayer! Pray especially for their LEADERS, like Mrs. Chamorro of Nicaragua & President Cristiani of El Salvador who have taken courageous stands for God and are very supportive of Christian Television.

The promise is to you & your children...all whom the Lord will call

What a Special night it was on PRAISE when Paul hosted with PAUL CROUCH Jr.! It is wonderful to see Paul Jr., in partnership with Jay Sekulow, launch out now with their own Christian TV network — Sonlight Broadcasting Network, Inc. Already their network has grown to include: Mobile, AL; Montgomery, AL; Nashville, TN and Memphis, TN! These stations have programming agreements with TBN and carry most of TBN's programs. Just as the SECULAR NETWORKS have done, we have entered into agreements with smaller Christian networks and independent stations. So your TBN CONTINUES TO GROW across the United States in effective outreach! The Spirit of God is covering Our Nation and the WHOLE WIDE WORLD! Christ promised the gift of the Holy Spirit to YOU and Your Children, and "even those in distant lands" Acts 2:38, 39 LB.

"You are to go into all the world & preach the good news to everyone"

ALL SUMMER LONG! — we were Blessed, Blessed, Blessed! by some of the Greatest Christian Conferences, Crusades, Campmeetings & Holy Ghost Revivals! It was at Dr. R. W. Schambach's International Evangelists Conference where our own Pastor JACK HAYFORD gave a stirring challenge not only to the hundreds of evangelists in attendance, but by satellite potentially millions heard that same message. This was a message for ALL BELIEVERS — The essence could be summed up in one portion of Scripture: "DO THE WORK OF AN EVANGELIST" II Tim. 4:5 No this message was NOT limited to ordained ministers! Jesus said, "YOU are to go...". But — "How will anyone go and tell them unless someone sends him?" Rom. 10:14, 15 LB. Through Christian TV — Shortwave Radio — & Satellite, YOU can send the Message of Jesus Christ to EVERYONE, EVERYWHERE — as YOU send this MIGHTY VOICE AROUND THE WHOLE WIDE WORLD! Support YOUR TBN!

COSTA RICANS THANK YOU FOR SENDING CHRISTIAN TELEVISION

Yes, they even loved my CHICKEN STORY in Costa Rica! Tears and joy marked their beautiful faces as I retold my testimony of how God answered the prayers of two little 12-year-old girls to raise our pet Chicken from the dead! "THANK YOU TBN Partners in America! Thank you for sending CHRISTIAN TELEVISION to Costa Rica!" That's what FIVE to SIX THOUSAND - together for this great Rally - were SAYING TO YOU! On behalf of Ch. 23's Costa Rica Partners, Jonas Gonzalez presented this beautiful picture of the TBN Logo and their Ch. 23 call letters incorporated with a map of Costa Rica. The DOORS ARE OPEN NOW to reach CENTRAL AMERICA. God has placed The Final World Harvest of SOULS in Your hands. Together, we can take this Gospel to the Whole Wide World IF YOU'LL be faithful!

OUR LOVE GIFT TO YOU FOR SEPTEMBER...

"AN OFFER I COULDN'T REFUSE — THE LaVERNE TRIPP STORY" By LaVerne Tripp

"I'VE HAD MY SHARE OF UPS AND DOWNS — BUT VICTORY'S MINE TODAY..."

If that famous line from LaVerne Tripp's song — "WE'LL NOT BE DEFEATED" — is true for LaVerne, it is certainly true for ALL of us!

Now, for the first time in book form, LaVerne Tells it like it is — the GOOD, the BAD, Warts and all! Singing Gospel Music with the Blue Ridge Quartet, then getting high on drugs on the bus. Finally with a bottle of PILLS in hand, ready to end it all — THE PHONE RINGS!

You will laugh, you will cry — as you live those UPS and DOWNS with LaVerne — But the Best part of all is this — IF LaVERNE CAN MAKE IT — YOU CAN TOO!

Use this book, not only to bless others and encourage YOU, but to win many others to Christ. Your September love gift, large or small, will bring "AN OFFER I COULDN'T REFUSE — THE LaVERNE TRIPP STORY" to you. Jan and I love you and thank you, again, for helping us send the TRIPP FAMILY TV Program, plus all the other great Christian TV programs, around the world!

Paul & Jan

Special Meeting of
Trinity Christian Center
of Santa Ana, Inc.

A special meeting of Trinity Christian Center of Santa Ana, Inc. was held on September 9, 1991 at Orange County, California. Those present were Paul Crouch and Norman Juggert. Paul Crouch represented Janice Crouch by proxy.

The board considered an appeal for a contribution from Sonlight Broadcasting Systems, Inc., a non-profit religious corporation also engaged in Christian broadcasting. The request was in the form of a letter dated September 3, 1991 from Stuart J. Roth, General Council/Director of Operations for Sonlight.

It was moved, seconded and passed that the corporate officers be authorized to contribute \$150,000.00 to the ministry of Sonlight Broadcasting Systems, Inc.

The board also approved the loan of an additional \$50,000.00 to National Minority T.V., Inc. in addition to the \$350,000.00 previously authorized.

The meeting adjourned after the discussion of a number of items that did not require a resolution.

Re: Station WTGI-TV
Wilmington, DE
BALCT-910329KE

Gentlemen:

This is with respect to your application, in which National Minority TV, Inc. (National Minority) seeks to acquire the license of Station WTGI-TV, Wilmington, Delaware, from Delaware Valley Broadcasters Limited Partnership, Debtor-in-Possession. Dan Borowicz has filed a Petition to Deny. We have reached no determination on the merits of the application or the pleadings. However, we request additional information, so we can be more fully informed in determining whether grant of the application will serve the public interest.

As President of the Trinity Broadcasting Network (Trinity), Paul Crouch has an interest in its 12 commercial television stations. Section 73.3555(d)(1)(ii) of the Commission's Rules generally provides that no party can have an interest in more than 12 commercial television stations. However, Section 73.3555(d)(1)(i) allows a party to have an interest in as many as 14 commercial stations, as long as at least two of them are minority controlled. The Petitioner alleges that National Minority is controlled by Trinity, Crouch, or both, which, if true, would make the proposed acquisition inconsistent with the Rule.

Your application discloses that National Minority is a nonprofit organization with three directors and five officers. Crouch, who is not a member of a recognized minority group, is the President and one of the Directors. The other two Directors are Phillip Aguilar, who is Hispanic, and P. Jane Duff, who is Black. Each has one third of the voting rights as Directors of the organization; consequently, you assert, National Minority is minority controlled. Our questions concern that assertion.

According to the pleadings, in the June 9, 1991, edition of The Orange County Register, Aguilar is quoted as stating that he is merely a "figurehead," presumably for Trinity or Crouch, in the National Minority organization. Your response to that question is specifically requested.

In November, 1990, Aguilar replaced one of the three original directors, Phillip Espinoza. What are the circumstances that led to Espinoza's replacement by Aguilar? Describe the process by which Aguilar was elected as a replacement Board member. Describe the circumstances surrounding his nomination and election to the Board of Directors. Did Aguilar have any prior experience in broadcasting? If so, explain specifically what it was. Prior to his election, did Aguilar have any relationship with Trinity, its officers, or its directors? If so, provide details.

Who originated the idea to acquire WTGI-TV? How and by whom was the idea developed? Who negotiated on behalf of National Minority the terms of the sales contract? Who supervised the preparation of the assignment application? Who prepares and supervises other National Minority applications?

Please submit the minutes of any meetings of the Board of Directors of National Minority that discussed the acquisition of Station WTGI-TV. If the acquisition was not approved by a vote of the Board, state why, and submit statements from all persons that were involved in the decision to acquire the station. Those statements should describe the decision-making process and the nature of the person's participation in it.

Are Duff and Aguilar involved in and aware of the daily activities of National Minority? If so, describe the specific ways they maintain their awareness and involvement; e.g., state what kind of corporate documents they regularly review.

Have Duff and Aguilar participated in the formulation of policies regarding programming and personnel practices at the proposed station? If so, describe that participation.

You state that the purchase of the station will be financed in part from a bank loan and in part from contributions from viewers. As of September 13, 1991, approximately what percentage of the funding will come from each source? Who negotiated the bank loan on behalf of National Minority? Please submit a copy of the loan agreement. If not evident from the face of that document, is Trinity or any of its affiliates, officers, or directors a guarantor of the loan? Who paid for and who signed the checks for the \$400,000 deposit and the \$3.6 million escrow payment?

In your application, you state that Duff and Aguilar receive no compensation for their work as directors of National Minority. To what extent, if any, do they acquire their income from Trinity as employees or consultants, or from other independent contracting agreements with Trinity?

The Petitioner alleges that four of National Minority's five officers are employees of Trinity. Are any or all of National Minority's officers also employees, independent contractors, or otherwise affiliated with Trinity? If so, identify those persons and their relationship with Trinity. In that connection, you have asserted that Duff is the "Assistant to the President" of
